

OCEANIA CRUISES®

Casual Elegance at Sea

TRAVEL AS AN ART FORM

Affordable luxury, approachable elegance, and award-winning itineraries that span the globe have been seamlessly sculpted by Oceania Cruises to form an experience that is nothing short of a masterpiece. Aboard a fleet of elegant mid-size ships, new-world comforts and amenities are at your fingertips as you discover all the wonders the world has to offer.

MID-SIZE SHIPS

Traveling on one of Oceania Cruises' luxurious mid-size ships has many distinct advantages. Offering all of the amenities and comforts one expects of larger ships with the unique charm and intimacy found in boutique hotels, you will be one of only several hundred guests instead of several thousand. And with more than one staff member for each guest, you are assured of a level of service that is not only warm and endearing, but extremely personalized. Wishes need not be expressed, for they are anticipated as the warm and congenial staff quickly learns your personal preferences.

The warmth and intimacy is only enhanced by the liberating country club-casual ambiance and dress code. There is no need for tuxedos and gowns as you are free to dress as you please. After all, being comfortable on vacation is the ultimate luxury.

FIVE-STAR DINING

You are also free to dine when, where and with whom you choose as the ships feature an open-seating dining policy. With four gourmet restaurants to choose from each evening, you set your own schedule and choose your own dining companions. Whether it is a romantic dinner for two in Toscana, featuring gourmet Italian fare; a feast of prime beef and fresh seafood with new-found friends in Polo Grill; Mediterranean delights at Tapas on the Terrace; or a convivial and lively evening of sparkling conversation and diverse culinary offerings in the elegant Grand Dining Room, you will be treated to the finest dining experience found at sea, each and every evening.

UNRIVALED DESTINATIONS

The leader in destination cruising, Oceania Cruises sails to more than 180 ports worldwide, including boutique ports such as St. Tropez that larger ships can not visit. Overnight port stays are frequently included to maximize your sightseeing ashore.
